Grundy Library: Opening doors, inspiring minds, connecting community

Book Discussion (Drop-in) The book discussion club meets the last Wednesday of every month with the exception of December. A book pre-selected by the club attendees is informally discussed. This month's selection is *A Piece of the World* by Christina Baker Kline.

Cook the Book A book club for people to discuss and share their cooking adventures continues. This is a great opportunity for cooks of all ages, skill levels and interests to share their love of cooking as well as eating, while trying new recipes from the library's collection. To participate registrants must visit the library and choose a recipe from among the cookbooks selected for the discussion – **Brunch**. Staff will photocopy your selected recipe, giving you a copy as a participant and keeping a copy on-hand to avoid duplication. Lastly, you make one recipe, no need to double it, and bring it to the first book club meeting at the library. While you sample and taste the various foods, we'll discuss all things pertinent to the recipe. The Library provides the plates, napkins & utensils. Discussion runs from 2:00pm-3:30pm.
