Cook the Book A book club for people to discuss and share their cooking adventures continues. This is a great opportunity for cooks of all ages, skill levels and interests to share their love of cooking as well as eating, while trying new recipes from the library's collection. To participate registrants must visit the library and choose a recipe from among the cookbooks selected for the discussion – **Amish foods and cooking.** Staff will photocopy your selected recipe, giving you a copy as a participant and keeping a copy on-hand to avoid duplication. Lastly, you make one recipe, no need to double it, and bring it to the first book club meeting at the library. While you sample and taste the various foods, we'll discuss all things pertinent to the recipe. The Library provide the plates, napkins & utensils. Discussion runs from 2:00pm-3:30pm.
